

## ***“Giuseppe Pellizzi Prize 2026” - VI Edition***

### **NOTICE**

#### **1. Announcement**

The “*Club of Bologna*” and the “*Accademia dei Georgofili*” announce the “**Giuseppe Pellizzi Prize 2026**” (VI Edition), international competition reserved to PhD Theses related to the topic of Agricultural Machinery and Mechanization.

The prize is awarded every two years, to coincide with the exhibition EIMA International held in Bologna (Italy).

Each applicant must be presented by a Full Member of the “*Club of Bologna*”, acting as Tutor.

The Management Committee of *Club of Bologna* with the support of a representative of the “*Accademia dei Georgofili*” will assess the works presented and will select the **three best PhD Theses**.

One of the three prizes will be reserved for applicants based in **low-income countries** as defined by the World Bank (<https://data.worldbank.org/income-level/low-income>). If no applications are received from low-income countries, this dedicated prize will still be awarded among the other participants.

The winners will receive a **cash prize** of:

- **1200 Euro**, the first place
- **800 Euro**, the second place
- **500 Euro**, the third place.

In addition, the three “Giuseppe Pellizzi Prize” winners will:

- be invited at EIMA International 2026 (Bologna, Italy) and hosted by FEDERUNACOMA who will offer travelling expenses as well as hotel accommodation (2 nights) in Bologna
- present a short lecture in English on the results of their PhD Thesis during the “**Giuseppe Pellizzi Prize 2026 Award Ceremony**”, held during the 35<sup>th</sup> *Club of Bologna Members’ Meeting*
- be invited to attend the *Club of Bologna* Full Members Meetings for a period of five years (from 2026 to 2030); they will travel at their own expenses while FEDERUNACOMA will support hotel accommodation costs as a “*Club of Bologna*” Full Member.

#### **2. Requirements**

Applications for selection are invited from EU and non-EU citizens who have achieved a Doctorate with specific reference to the sector of “**Agricultural Machines and Mechanization**” under the following specific headings:

1. *Tractors and Engines*
2. *Agricultural Machines and Mechanization*
3. *Components and Materials*
4. *Automation and Electronics*

To be eligible the applicants must:
